Additional authorized vehicles:			
Type of Vehicle:		Manufacturer:	
Year/Model:		Color:	

Additional authorized access:	
Name 1:	Name 2:

1. PARKING PERMIT: All vehicles must prominently display an Absolute Storage parking permit in the lower right corner of the windshield at all times.
2. Vehicles must be stored in their assigned space. No unauthorized vehicle may occupy any space during your vehicle's absence. See management to arrange additional authorizations.
3. No vehicles shall extend outside their assigned space at any time.
4. Stored vehicles must be operable and stored intact. No motors or sections of vehicles may be stored. You may not store vehicles on blocks, all tires must be inflated, have no broken glass, no or minimal rust, and wheels must be properly chocked at all times.
5. HAZARDOUS SUBSTANCES: While hazardous waste and dangerous substances are generally forbidden at this facility, fuel; engine oil; hydraulic fluid; batteries; brake and transmission fluids; and a sanitary toilet, are excepted when properly contained within stored vehicles. Lessee is responsible for clean-up and repairs to the facility when caused by any leakage from their vehicle and agrees to pay the actual costs for same. NO MECHANICAL WORK or service of any type is to be performed at this facility under any circumstances.
6. NO DUMPING of any kind at any time. Dumping service for chemical toilets and dumpster service is not provided by this facility.
7. ELECTRICITY: This facility does not provide any electricity for trickle charges or for any other purpose. Use of facility's electricity is not allowed.
8. RIGHT OF REMOVAL: This facility reserves the right to remove/move any and all vehicles for emergency or for lot maintenance purposes. Lessee agrees to cooperate with management in moving their vehicle for lot maintenance purposes by moving their own vehicle (within the facility) when requested or by temporarily providing management with a key, solely to be used for this purpose. Management will provide a minimum of one week advance notice of lot maintenance to lessee.
9. Management has the right to address other safety, conformance, or unsightly appearance issues on a case by case basis. Speak to management with regard to any questions or possible exceptions to the above. Management reserves the right to refuse storage or to terminate this agreement at any time.
10. Any violation of the above or any violation of the rental agreement may result in towing of the vehicle at the tenant's/owner's expense.
